EU Declaration of Conformity

Bloomdale Eyewear

Kievitsven 80,

52149 JK Rosmalen

To whom it may concern,

As an importer and under our sole responsibility herewith declares that our models of spectacle frames of Class I:

Model range: 500 – 800, in all colour variations, are intended for use in connection with ophthalmic lenses for correcting vision problems in the manufacturing of eyeglasses. These models can be used for personal protective equipment usage with plano (non-prescription) lenses.

They are produced under our supervision and care in conformity with:

1. The EU regulation 2017/745 (Concerning Medical Device Regulation – MDR)
2. The EE Regulation 2016/425 (Personal Protection Equipment - PPE)
3. The harmonized standard EN ISO 12870:2018

Signed for and on behalf of Bloomdale Eyewear

Armand van Lingen

Director
